Requirements Continued:

NOTE: Digital Entries can be submitted ahead of time. We do have a deadline, entries must be in by the first Monday of the month, however, digital entries can be submitted weeks or even months before the competitions. Not waiting to the last day and the pressure to get something entered, can eliminate errors and since errors do occur, getting entries in early can provide an opportunity and the necessary time to get them corrected.

Please double check your entries before sending them.

Then attach the images to the entry email and send your entries to:

Digital@TwinCityCameraClub.com
