**Monday November 27 Program Night:** Ed Post will lead a discussion on composition. See his website at: <http://Edpostphotography.com> Ed is known especially for fine art nature, landscape, and pictorial photography. He leads workshops and multimedia programs, and offers a free "Nature Photography Newsletter." Ed should offer a particularly useful program for TCCC.

Ken reports that the **Program for October was Barbara Wright** (you can obtain information regarding her from the web site). Excellent program on her photographic trip aboard a large houseboat on Lake Powell. Many outstanding photos put to music using software program of Pro Show Gold. Showed outstanding rock formations, including Rainbow Bridge, reflections on water, and sweet light on the rock formations.

Ken reports that 57 members, family, and friends attended the **Annual Banquet on November 4**. They enjoyed prime rib with all the trimmings. Dessert was a great cake from "Bit of Swiss." The photo display was particularly extensive this year.
