**Notice! Annual Business Meeting Monday, February 26, 2007. All members are urged to attend. This meeting is open to current members only.**

Come and voice your opinion, it's your club. This is the meeting you can let the members and your board know your thoughts. Are you pleased with what you see? What improvements or areas could be researched and/or pursued? What are your ideas? This is **the meeting**, held once a year, just so you can express your thoughts and the members would like to hear from you.

This is also a good time to acknowledge members for their contributions in keeping the Twin City Camera Club one of the finest camera clubs in the country. There are members performing duties, large and small that require time and commitment, month after month to maintain and/or improve TCCC, they deserve your recognition. Please attend and let them know how you feel.

(Please note that there is no Program Night in February; the Annual Meeting takes its place.)
