Digital Workshop Classes: June Schedule: Wednesday June 13th. The digital workshop classes are conducted by Tom McCall. We hope to have them twice a month and the classes will be free. They will be held at the TCCC clubhouse and you can bring a laptop if you have one. They are limited to TCCC members and will be approximately 1 1/2 hours in length. We will be working with Elements, Photoshop and other imaging programs. We will be starting with tips and techniques on preparing images for competition. Most of the information should apply to prints and/or slides. We will try to keep it as simple as possible. Did I mention that it's FREE. The next class will be on Wednesday June 13th. at 7 pm. so try to be a little early. Dates and times for future classes will be posted on the [Heads Up](#) page of the TCCC website and there will be notification by Email. For members without email call Tom at 269-982-0034.
